Personal Summary

- I am a media professional seeking opportunities in the cine field where I can learn new skills for continuous improvement,
- I'm an experienced **PHOTOGRAPHER** , **DI EDITOR** and **DI COLORIST** and now I'm passionate about the Director of photography and the tastes of lights in cinematography.

Education

B.Sc VISUAL COMMUNICATION / sathyabama university 2017 - 2020

Work Experience

2020-2023

- ❖ Working as a **assistant DI Editor** and **senior DI Editor** at chennai that's where I learn **Davinci resolve software**.
- ❖ After I've done Freelancing as a **Editor** and **Colorist**

2023-2024 Mid

- ❖ I got an opportunity from **sri sarathi studios, hyderabad**.
- ❖ It's not only a job opportunity, I learn a new **COLOR GRADING** Software called **FILMLIGHT (BASELIGHT)** I got a lot of experience from that ,because I worked as film **DI EDITOR** and I learn a lot about **COLOR GRADING IN FILMS**,

2024 Mid -2025 Mid

- ❖ After I Resigned my job as a **DI EDITOR** in hyderabad, I started my dream work **DOP** as a **assistant**.
- ❖ I Start worked as a last assistant cinematographer in a Telugu movie but unfortunately it's dropped.
- ❖ Then I came to chennai and I joined last 2 schedule in a movie name **YOLO** as a last assistant DOP and I learn so many Things.

2024 Mid -2025 Mid

- ❖ Then after **YOLO** (Tamil movie) I started searching for another opportunity and I got work from another Tamil movie as a 2nd assistant DOP. And I learn so much in the film set.
- ❖ After that worked as a assistant director in a Malayalam biscuit Advertisement and it's a good experience .
- ❖ In the movie **YOLO** at the release time, I worked as a promo editor and as a director side promotion team camera man, then I coordinate and worked with director and it's a Good experience to work with experienced Director

Skills

- ❖ Five year experience in Da Vinci Resolve software and Wave Color grade panel.
- ❖ Two year experience in Filmlight (baselight) software and baselight Color grade panel.
- ❖ I can manage Post Production Department in films and web series like time management , follow up project submission in time etc ...
- ❖ Adobe photo shop , adobe premier pro , adobe light room And experience in nuendo audio mixing software.
- ❖ And I Possess a valid car driving license
